We will take a short hike around the pond to find bubbles, including spittle bugs and pond foam. We will also learn about all the wildlife that can be found in the EcoLab, including beavers! This will be a leisurely walk, about a half mile.

Afterward, we will have some bubble crafts where you can make your own bubble wand and try your hand at some bubble art.

All ages are welcome! Registration is REQUIRED (see below) to attend the event. \$4 per person or \$6 per family, paid in cash on arrival as you check in. We will meet at the St. Francis statue next to Allison Mansion, on the northeast corner of campus at 10 a.m., and will head down to the EcoLab shortly afterward.
